

The Pale Thin-Blooded Person

is a weary, fearful clock-watcher; lowered vitality makes it impossible for the body to serve its soul's hopes and aspirations.

Abundant red blood, rich in iron, is needed if you would win in life's battle. Whatever your vocation—in business, in the home, in society—you must produce day after day or eventually be eliminated. The healthy-blooded man or woman tackles every task fearlessly, joyously—and wins.

Gude's Pepto-Mangan

"The Red Blood Builder"

If you are pale, anemic, and always tired, if you are working on your nerves, and your sleep does not refresh you, take a course of Pepto-Mangan.

It restores the health by charging the blood with liberal quantities of digestible iron, and by creating a sense of new, rich, red blood cells. That is why Gude's Pepto-Mangan is never sold in any other way than in the bottle and package pictured in this advertisement. Read circular around bottle. For sale by all druggists.

Pepto-Mangan is made only by M. J. BREITENBACH CO., Manufacturing Chemists, New York.

Study this picture so you will know how genuine Pepto-Mangan looks.
